## Flexible Duties At Schools Sought

Easing Of Jurisdiction  
Issue To Be Requested;  
\$200,000 Tax Warrant

Restoration of flexibility in Granite City school maintenance work assigned to members of various craft unions will be sought, the school board decided Tuesday night after reviewing moving and other phases of the maintenance program.

Other business transacted included a decision to borrow \$200,000 to last until new taxes begin arriving next month. Jurisdiction for grass cutting is sought by both custodians of Building Service Employees Local 98 and truck drivers of Teamsters and Chauffeurs Local 525 in proposed agreement with the school district effective July 1. The dispute led to one-day picketing of schools by chauffeurs June 5.

A board discussion brought out that when new crafts are added to the maintenance staff in past years, primarily to give indicated that there would be cooperation and teamwork, with terms crossing jurisdictional lines to use manpower and tax funds efficiently.

The existing division of mowing work, with most of it carried out by custodians, was devised to avoid hiring too many chauffeurs to mow on weekends while custodians had little time on summer weekdays, board members said.

Three Categories  
Supt. Harold M. Kaiser was asked to seek a solution to the issue in negotiations with the two locals. The plan calls for assigning some significant work to custodians, other specific duties to chauffeurs and a third category of tasks to which either group of employees could be assigned.

Copies of the proposal submitted by Local 525 were distributed for study by the board previously received the proposal for custodians. The Local 98 report was ready for study at the July 9 board meeting, Dr. Kaiser said.

Basic guidelines for the talks were set by the board, with administrative staff authorized to work out details in conferences with negotiators from the unions.

Fringe Rather Than Wages  
Board members recalling previous financial and contract discussions said their consensus is that primary attention should be given to the sections dealing with fringe benefits and working conditions, rather than to wages. They said that subject will be kept in mind.

The entire review was conducted publicly at the suggestion of Dr. Kaiser, who stressed the need for basic data on the subject.

## Tentative GC Budget Shows Boost Range—\$30-\$100,000

Wage negotiations between the city and employees are expected to be completed before a July 8 special council session when the Finance Committee is to submit the 1963-64 budget to Granite City alderman for consideration.

A preliminary budget report was made following Monday night's council session as the members met with the Finance Committee.

The basic budget, without any pay boosts, is up \$30,000 over last year's figure of \$1,720,715. Finance Chairman Paul Rutledge advised council members the \$30,000 increase did not include several other major items which have been proposed. The \$30,000 increase in the budget by \$85,000 to \$700,000.

Extras Being Considered  
These include hiring three additional

firmen and three additional policemen, hiring four school crossing guards, and enlarging the legal staff, buying an additional police patrol car, an auto for the assistant city engineer and one for the city building inspector who now uses his personal auto, a new vehicle for the humane officer and a request from the police magistrate for an increase in his salary for handling state police arrests.

Magistrate Gasparovic has advised the council he handles over a hundred state police cases a month and would like either a \$2 fee per case or an increase of \$200 a month. The salary for his current four-year term is \$750 a month.

City employees, who were given no pay hikes last year, are seeking a monthly pay boost of \$100.

## Madison County Will Elect Two Levee Trustees

Special From Springfield

Gov. Kenney Tuesday signed into law a bill which will give Madison county a proportionate representation among elected trustees of the East-End Levee & Sanitary District.

Introduced by Mr. on county Reps. Lloyd Harris (R-Granite City), Leland Kenne (D-Alton), and Ralph T. Smith (D-Alton), the measure provides for the election of two levee district trustees from Madison county, and three from St. Clair county.

Trustees heretofore had been elected at large from Madison county and St. Clair county. Madison county voters elect two trustees, while St. Clair county voters elect two trustees.

The new law reduces the number of trustees from four-year terms. Those of current board members will expire in 1964.

Voters will elect the new board of trustees in the November 1964 general election. The board reorganizes at its first January meeting. Trustees are paid \$1000 annually, with the board president, elected at the reorganization meeting, receiving an additional \$1000 yearly.

## Bascom Resigns Legal Position At GC Steel

The board of directors of Granite City Steel Co. yesterday accepted the resignation of William R. Bascom as vice-president and general counsel.

Bascom is returning to a partnership in the law firm of Bryan, Cave, McPeeters and McRobert, in which he was a partner prior to coming to the steel company in 1956 to fill a position created at that time.

The law firm will continue to serve as GC Steel's general counsel. A spokesman for the company said today that no replacement for Bascom is being sought at the present time.

## Six-Day Period With No Traffic Injuries

A traffic accident yesterday afternoon in Madison ended for the Quad-Cities area a six-day period without a single traffic injury being reported to authorities.

The period of no injuries started on the afternoon of Wednesday, June 19, and continued through yesterday afternoon. The Quad-Cities area has had a total of 15 injuries and nearly one traffic death a week.

Quad-City authorities expressed amazement over the record and commented that they hoped the decline in accidents and injuries would continue through the weekend and next week's holiday.

"And forever," one officer remarked.

## Girl, 4, Hit By Auto In Venice, Undergoes Surgery

Two persons were held in the Venice city jail after Theresa, three-year-old daughter of Mr. and Mrs. Andrew Hogue, 616 Madison street, Venice, was struck by a car at 4 p.m. yesterday.

Theresa was taken to St. Elizabeth Hospital where surgery was performed last night. She was reported doing well today. She suffered jagged lacerations to the right ear and severe abrasions to the right side of the face and right arm.

Arrested were Eddie L. Pownall, 1301 Madison avenue, East St. Louis, owner of the car, charged with reckless driving, destruction of property, driving under the influence of liquor and making a false report, and arrested were Eddie L. ## Two \$1000 Gifts Added To County Museum Drive

Two \$1000 founder's gifts from Alton for the new Madison County Historical Museum were announced yesterday by museum drive officials in Edwardsville.

The officials also announced that over \$17,000 of the goal of \$40,000 has been raised thus far in the campaign to purchase and renovate the Weir House in Edwardsville to house the museum.

Mrs. Vernice Workman, president of the Granite City Business & Professional Women's Club and co-chairman of the local fund-raising campaign, said that the \$17,410 raised thus far, over \$800 has been pledged by local organizations.

The local campaign co-chairman also announced that four local firms have pledged contributions to Granite City's portion.

## Family Of 14 Seeks Return Of Clothing

An appeal for return of clothing taken from a laundromat in the 610 block of Madison avenue, Madison, at 6 p.m. Tuesday, was issued by Mr. and Mrs. Roy Baldwin, 1526 Seventh street, who say they need the clothing for their family of 12 children.

Their oldest child, Anita, 14, had placed three washers of clothing inside a large dryer and went to the nearby Baldwin home to help her mother prepare for the arrival of guests. When later, the dryer was still operating but the clothes were missing.

Three customers at the laundromat when she returned said they had seen no theft during the period since they had arrived.

Included were baby clothes, white goods, skirts, walking shorts and other items of apparel. The clothes ranged in size from infant to teenage. Most of the items had been purchased in recent weeks and were in good condition.

Baldwin is an employee of an East St. Louis soft drink distributing company.

## Madison Rotary Gives City New Trash Containers

Twelve bright green trash containers were presented to the city of Madison Tuesday afternoon by representatives of the Madison Rotary Club.

The project, they will be placed on street corners in the Madison 2nd district.

Metal cans were provided by the Laclede Steel Co. and the club purchased tops for them complete with swinging doors. The Rotarians also arranged for painting of the containers, which show the name of the club in white letters.

## Park Pool Attendance Shows Gain Of 3700 Over Last Year

Despite a week of cool weather shortly after the opening of the season, paid admissions to the Wilson Park swimming pool are up more than 3700 over the same time last season, Park Superintendent and Recreation Director Harold Brown told members of the Granite City park board at their regular meeting last night.

Attendance this year totals 11,812, compared to 8080 at the same time in 1962.

Brown also reported 700 youngsters and adults enrolled in "learn to swim" classes conducted at the pool. Other figures he supplied to the board last night included 1800 participants in summer playground recreation programs and 600 enrollees in junior and senior high school physical fitness programs for boys and girls.

## Venice Plant Storage Building Burns Today

Fire of undetermined origin broke out at 11:15 a.m. today in a 1800-sq-ft frame structure, building of the Mimor Manufacturing Co., Venice, completely destroying the structure and its contents—magnesium boats. A second shed was damaged.

The beams burned with intense smoke. Those who were still at the scene shortly before 1 p.m. had no chance to salvage the contents of the structure. It is located 150 feet from the main factory building, which was not damaged.

Milton Morris, operator of the metal fabrication firm, estimated the total loss at \$1500. Several firemen suffered burns to their hands.

## \$1 Million Treasurer Bond; Accept School Blacktop Bids

A school treasurer bond of \$1,000,000 for 1963-64 was accepted Tuesday night by the Granite City school board, which accepted a low bid of \$881 from the Gilchiff Agency.

Holinger bid \$971 and there were bids of \$3175 each from the Miller-Wolf, Kaegele, Gehl, Morris and Gerhard Mueller agencies. Holinger provided the bond in 1962-63, first year in which the school board had direct jurisdiction over handling of school finances. The township school trustee system went out of existence a year ago.

Bids also were opened on bonds of \$600,000, \$800,000 and \$1,500,000, with Gilchiff the low bidder and Holinger second in each case except the \$600,000 bond. Last year's bond was listed as \$1,000,000, and it was learned that County Supt. Wilbur R. Trimpe does not feel he should approve a bond of less than that amount.

School district funds during a year's time total several million dollars, but those on hand at any one time were described as less than a million dollars. While the school treasurer has technical control, the actual money is on deposit.

The five virtually identical bids apparently were quotations of "book prices," a discussion brought out.

**Campus, Drive, Lot Projects**  
The board awarded bids on extensive blacktop and "seal and chips" parking lot, playground and driveway improvements.

Modern Asphalt Co., East St. Louis, will install a blacktop driveway at Granite City high school for \$3542. Fr. Hubert school blacktop driveway for \$1350. Mitchell school new blacktop \$2312 and Nuneoki school overlay blacktop \$2593.

Holland Asphalt Co., East St. Louis, will install new blacktop at Frohardt school for \$1130, new blacktop at Nuneoki school for \$2340 and new blacktop at Niedringhaus school for \$720. Holland Asphalt of Granite City will apply seal and gravel to a Coolidge junior high school drive and parking lot in its \$982 bid, to the Mitchell school drive and lot for \$759 and to the Wilbur school drive and lot for \$661.

G. H. Sternberg & Co. of Granite City will place seal and chips on the Prather junior high circle driveway for \$432, the GCHS parking lot for \$1383, the Frohardt school drive and parking lot for \$422.

**Nameoki Webster Work**  
Bids are being sought for July 9 work on the Nameoki and grade school parking lot and also on improvements to a clay area of the Webster school grounds where climbing barriers to be removed. The dry clay is blown about by the wind and causes a nuisance in the Webster neighborhood. Supt. Harold M. Kaiser said.

Classroom furniture totaling \$14,251 was ordered from Buxton Skinner Co., \$6629, Franklin Weliand Co., \$3989, Blackin Lee Co., \$1945, Cole Furniture Co., \$1525, Allied School Equipment \$125, C. H. M. & Young Co., \$53 and Beckley Cardy Co., \$25.

Physical education supplies and equipment aggregating \$4611 were purchased from Graham's Book Store, \$1107, Salish Recreation Equipment Co. \$700, Markwort Sporting Goods \$311, Porter Athletic Equipment \$509, Premier Athletic Products \$450, Waverline Sports Supply \$163, Towers Associates \$154, Wittke Golf Range Co. \$66, School Equipement Corp. \$54 and Gym Master Co., \$25.

**Tuckpointing Authorized**  
Brickwork was awarded to three firms, William Baker Building Cleaning Co., State Tuckpointing and A-1 Tuckpointing. A-1 will spot tuckpoint on Marshall school building for \$880, while Baker will replace broken glass blocks at Emerson school for \$251, Marshall \$192, Logan annex \$118, Frohardt \$81 and Mitchell \$88.

State Tuckpointing was authorized to repair the Granite City high school boiler stack for \$975, install glass blocks at Washington for \$775, brick up a cellar door at Washington for \$132 and spot tuckpoint Emerson for \$810, Niedringhaus for \$2275 and Nameoki for \$656. Sheet metal work totaling \$875 was awarded to Triangle Heating Co. on its low bid. Included were GCHS guttering, \$151, Logan annex guttering \$414, Central school guttering \$160, a Coolidge junior high school hood \$90 and Mitchell school gutter repairs \$70.

**Glass, Tile, Pipe**  
Glass purchases totaling \$618 from Hadley Dean Glass Co. and \$127 from Pittsburgh Plate Glass Co. were approved. Granite City Glass Co. was designated at the source of supply for glass cut to specific sizes.

Floor tile materials are to be obtained from Bellemore Tile and Carpet Co. on the basis of its bid prices. Tiling plans include two basement classrooms and the kitchen at Stallings school and a small cafeteria room at Webster school.

Pipe and fittings will be purchased from the Siderup Supply Co. as needed on the basis of its bid amounts.

National Auto Supply Co., Granite City, was established as the source of supply in 1963-64 for motor V-belts. Pest control

## A. J. Mueller To Head UF Campaign Publicity

A. J. Mueller Jr., veteran local United Fund worker, has been named chairman of the 1964 Tri-Cities Area United Fund Publicity committee, according to A. P. Steinbauer, UF general campaign chairman.

The new chairman and his committee will be charged with developing publicity for the entire 1964 campaign. Mueller is to coordinate the publicity and the distribution of public to local media. Mueller has over three years experience in the commercial division of the campaign.

Mueller, general manager of the Granite City Press-Record, was a member of the publicity committee during the 1963 campaign and has been a member of the United Fund board of directors since 1961. He is also director of the scuba diving program at the local YMCA, a UF agency.

## Pleads Not Guilty

Cooper Friedrich, 33, of 2553 North street, pleaded not guilty to charges of creating a disturbance and committing battery when he appeared Wednesday morning before Police Magistrate Gasparovic. A hearing was set for July 18. A complaint in the case was filed by Dorothy Frederick. He was released on \$32 bail.

The Granite City Press-Record was a member of the publicity committee during the 1963 campaign and has been a member of the United Fund board of directors since 1961. He is also director of the scuba diving program at the local YMCA, a UF agency.

## SWIU Buys 204-Acre Tract At Site Of New Campus

The purchase of an additional 204 acres for the Quad-City-Edwardsville campus of Southwest Illinois University was disclosed this week at Edwardsville with the recording of a deed transfer.

The tract, costing about \$110,000, included three parcels of land known as the Dr. Edward Silber property. It is located at the extreme southwestern corner of the university's proposed 2600-acre campus.

## Two Cars Collide

Auto driven by Bernard Janick, 36, of 2001 Twelfth street, and George Clutta, 58, of 1414 Eighteenth street, were involved in a collision at 12:34 p.m. Tuesday as Janick was making a right turn into his driveway.

The cars were crossing steadily toward the 2,600-acre goal.

Contracts have been awarded on two new buildings on the campus which are scheduled to be ready by September 1964 and bids are to be opened on July 21 for construction of two other buildings.

## Rep. Kennedy Leaves Springfield Hospital

(Special from Springfield) State Rep. Leland Kennedy (D-Alton) was released from St. John's Hospital in Springfield Tuesday night, where he had undergone a checkup after complaining of stomach pains last week.

Kennedy said his doctor had given him instructions to "take it slow until I get my sea legs back."

He was undecided as to whether he would resume his seat in the Illinois House until tomorrow.

**Mailing Of GC Tax Bills Will Begin Today**

Mailing of tax bills to Granite City residents will begin today, according to Ernest "Pat" Rich, city treasurer and township tax collector. The mailing process will require about two to three days.

Rich said that collections will begin Monday and will continue through Aug. 26. Collections will be made in Rich's office on the second floor of the city hall. The tax collector said his office will be open from 8 a.m. to 5 p.m. weekdays, including the noon hour, and from 8 a.m. to 3 p.m. on Saturdays. He added that persons who do not pay their bills by Aug. 24 will have to pay it at the county treasurer's office in Edwardsville.

Rich said the total 1962 tax bill for Granite City is \$6,318,658, an increase of \$353,618 over last year. The total collection figure includes \$6,133,997 in current taxes and \$184,661 in back taxes.

Current taxes include \$2,483,874 in personal property taxes and \$3,654,122 in real property taxes. Back taxes show a total of \$77,154 for personal property taxes and \$107,506 for real property taxes.

Rich urges residents to pay their bills at his office. He explained the city receives a 2% commission on all taxes paid at his office.

100 Attend Debate

## County Lawyers Oppose Constitutional Changes

Members of the Madison County Bar Association voted strongly against support of three proposed amendments to the U. S. Constitution during a debate last night at the Holiday Inn motel on Sunset Hill.

Debate on the amendments before nearly 100 members and guests were Milford F. Caldwell, Justice of the Supreme Court of Florida, and Arthur J. Freund, St. Louis attorney. The proposals were:

1. An amendment to Article V to make obligatory the proposal of amendments endorsed by two-thirds of the state legislatures, without action by the Congress or a national convention.

2. An amendment to provide for the ratification of proposed amendments by the state legislatures only.

3. The present option of Congress under Article V to submit amendments to state conventions.

Freund was eliminated.

An amendment to eliminate federal judicial authority over the appointment of state legislatures.

An amendment to establish a "Court of the Union," sometimes referred to as the "Super Supreme Court," composed of the chief justices of the states with authority to review Supreme Court decisions relating to the rights reserved to the states under the Constitution.

"Straw Vote"

The county attorneys in a "straw vote" balloted 40 to 12 against the first two proposals and 43 to 10 against the third.

Dick H. Mudge, association president and county state's attorney, said the first two have passed both houses of the Illinois and Missouri legislatures.

The program was believed to be the first session of a "great national debate" recommended for the legal profession by Chief Justice Earl Warren of the U. S. Supreme Court.

Caldwell, also a former Florida governor and member of Congress, charged that the Supreme Court has risen above the Constitution and usurped powers belonging to the states.

Freund said the Supreme Court justices are special guardians of federal procedure and that amendments are "a ruinous road toward establishing a confederacy."

Caldwell said the proposals are the result of nationwide unrest over Supreme Court decisions that "regulate Constitutional principles and previous court decisions."

Disseminate Agencies

Freund noted that attempts to restrict the Supreme Court are "as old as history" and church interests. He said "disseminate agencies" as the bar should assure that judgments on the questions are "raised on the standards."

Caldwell claimed "the founders of our Constitution made it crystal clear that all the powers not specifically delegated to the federal government are delegated to the states. The national government is encroaching on state authority and swallowing up the liberty of the people."

He charged that Congress and the Supreme Court "no longer pay lip service to the states. They have lost the respect and respect of the people."

Shatter Government

Freund claimed the attempt to convert the nation into a confederacy "would shatter our government to the separate political entities." He was shocked that one proposal provides for an amendment without any national deliberation, remarking that it gives the idea that Americans are not a united people.

Thirty-eight states should have at least as much power as Congress or the Supreme Court, Caldwell said, pointing out that the justices are not elected by anyone, are not responsible to anyone and serve for life.

Caldwell maintained that the reapportionment proposal would restore to the states a right given them by the authors of the Constitution, and it was his contention that the Supreme Court

has no jurisdiction in reapportionment of states.

Freund said the court "has been too long in setting up an absolute standard in reapportionment."

Regarding the "Super Supreme Court" proposal, Caldwell said "it would rather risk the future of America of 50 state chief justices than of nine for life and responsible to no one."

**Court Too Large**

Freund claimed that a court composed of 50 state chief justices would be too large for effective deliberations and its members would not be primarily concerned with interpreting the Constitution.

Caldwell charged that the Supreme Court "has obviously set about writing laws." He called for "re-establishing constitutional government in this country."

The present Supreme Court members protect standards of "decency and fair play" and a necessary balance in federal-state relations.

**Engineer Resolution**  
(Continued from Page 1.)

Shawers & Murray is recommended to serve as fiscal agents. Opposition to the resolution about writing laws. Caldwell said the proposed scope of the proposed project during Friday's special meeting. However, the Sanitary Water Board had suggested construction of several interceptor sewer lines in the vicinity of the treatment plant to divert a limited amount of storm water and most industrial cooling water away from the treatment plant. The installation of interceptors would reduce the size and cost of the plant.

The committee is recommending these lines be financed with construction to be financed with general obligation bonds, which require a referendum. The treatment plant, under the preliminary proposal by the committee, would be financed by revenue bonds, which do not require approval by voters.

Mayor Davis, who has commented he might vote the resolutions, also said he would like to see a referendum for Granite City to petition for an election on the revenue bond issue.

**Favors Obligation Bonds**

The mayor favors general obligation bonds for the entire project, and indicated this week that with the press by the Sanitary Water Board for pollution abatement by the city he might sign the engineering and fiscal action resolutions upon their winning approval.

Moerlein told council members Friday night that changes could be made in the scope of the program and in the method of financing, but that it was urgent for the city to take definite action toward getting sewer treatment facilities.

He also pointed out the Granite City Army Depot has plans for the area where the city proposes to locate its treatment plant and that perhaps quick action by the council could result in acquiring use of the site before the depot completed its planning. The city pumping station is on depot property.

The second reading votes on both resolutions were nine-to-four. Voting for them were Alderman Batteiger, Whitmer, Mrs. Bethencourt, Johnson, Dallas, McGee, Moerlein and Thompson. The opposing votes were by Kohn, Basarich, Bartosick and Bergfield.

Alderman McGee, who departed on a vacation to the east after Monday night's session, said that, if necessary, he would return for next Monday night's session to register his favorable vote for the resolutions. He and Johnson serve on the Special Pollution Study committee with Moerlein.

**Donald Hayes Named To Estate Planning Council**

Donald B. Hayes, trust officer for the Granite City Trust & Savings Bank, has been elected to the executive committee of the Estate Planning Council of St. Louis.

The appointment was announced at the council's annual meeting at the Westborough country club in St. Louis. Hayes is the first Granite Cityan to hold office in the council, whose membership of 150 includes attorneys, certified public accountants, trust officers and underwriters from the greater St. Louis area. The council's purpose is to coordinate estate planning.

**GCAARC Installs 1963 Officers; Ends Season**

The Granite City Association for Aid to Retarded Children held the final meeting of the season Monday evening at St. John United Church of Christ and installed officers for the coming year.

The staff includes Mrs. Georgia Cocagne, president; Mrs. Nelma Black, vice-president; Miss Patty Tondre, secretary; and Mrs. Helen DeFuria, treasurer.

The installation ceremony was conducted by William Coyle.

A discussion of the success of the recent day camp held at the park was followed by adjournment. The meetings are to be resumed in September.

## Gerald Broadway, 36, Dies In Wisconsin

Gerald Robert Broadway, 36, son of Mr. and Mrs. Gerald M. Broadway of 2439 State street, Granite City, died Monday night after undergoing an emergency gall bladder operation at West Alice Memorial Hospital in Milwaukee, Wis.

Broadway, a resident of Granite City until graduation from Granite City high school in 1944, was employed by the Milwaukee YMCA. His parents were in Milwaukee at the time of his death. They had left Granite City Monday morning to spend their vacation with their son and his family.

After graduation from high school, Broadway joined the Navy and served in the signal corps during the latter part of World War II. After being discharged from the navy after the war, he attended George Williams College in Chicago. He was graduated from the four-year YMCA college in June 1950 and took a job with the Hyde Park YMCA in Chicago. In October of 1961, Broadway accepted a position with the Milwaukee Y.

A member of Niederrhein Memorial Methodist Church while living in Granite City, Mr. Broadway had been an Eagle Scout and an active participant in YMCA activities.

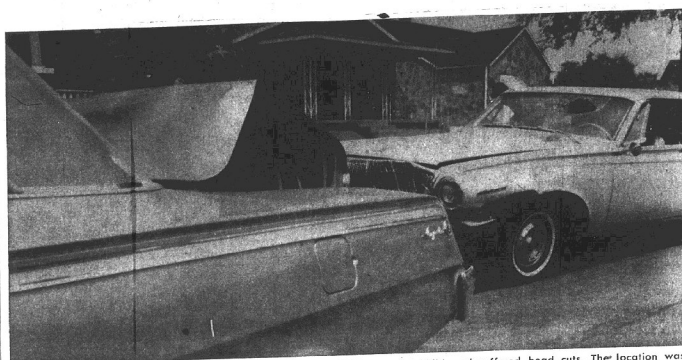

Mr. Broadway is survived by his wife, Ellen, three daughters, Janice Ellen, Beth Ann and Marcia; two sons, Eric and Bruce; his parents, Mr. and Mrs. Gerald Broadway; and a sister, Mrs. Paul (Muriel) Kratz, Granite City.

Funeral services will be held Friday at 1:30 p.m. at a Milwaukee funeral home. Mr. and Mrs. Kratz and an aunt, Miss Ethel McKenry of Granite City, left Wednesday morning for Milwaukee to attend the funeral.

## Fire Damages Group Of Madison Garages

Flames from burning rubbish spread to garages and a storage shed along an alley in the 1000 block between Iowa street and Washington avenue, Madison, at 4:40 p.m. Tuesday, causing losses estimated by firemen to be at least \$250.

A frame shed and garage owned by Alex Kashoff, 1008 Iowa street, burned and there was extensive damage to a frame garage owned by W. R. Garrett, 1012 Iowa. Minor damage was reported to the garage of Mike Spillhoff at 1004 Iowa, and roofing melted on a shed across the alley, the fire department's report showed.

CRUMPLED TRUNK AND GRILLE and smashed windshield tell the story of this crash involving the parked car at left and the car at right, whose driver, Richard Moslander, 17, of 2050 Edwardsville road was thrown against the windshield and suffered head cuts. The location was the 1500 block of Sixth street, Madison, and the time was 2:10 p.m. yesterday.

MADISON FIRE SCENE in the 1000 block of Iowa street at 4:40 p.m. Tuesday. Firemen are shown in the closing stages of their battle with flames that gutted or damaged several garages and a shed. The blaze was attributed to nearby burning of rubbish.

## Tips On Preventing Burglaries

### Connect Timer To Lamp

Leave a lamp or two connected to an automatic timer to turn lights on and off each evening. This makes the house look lived-in and is a good protective measure.

### Lock All Doors

Be sure all exterior doors are securely locked. Use a pin-tumbler cylinder lock or safety latch.

### Stop Deliveries

Be sure to have your mail held and all deliveries suspended during your absence. Notify local police of the dates you'll be away.

Prepared as a Public Service by the BURGLARY PREVENTION WEEK ADVISORY COMMITTEE, 11 S. Morgan St., Chicago 7, Ill.

### Partly Draw Shades

Make certain that drapes or shades are not completely drawn. Leave them as you normally would when you are home.

### Close Garage Doors

Always close your garage doors. An empty garage with doors open will catch the attention of any thief and indicate no one is home.

### Put Away Tools

Never leave ladders or tools lying around where prowlers can get at them—they may be used to get into your home.

## Bicycle Safety Rules Listed By Police Chief

Traffic accidents involving motor vehicles with bicycles caused more than 500 fatalities in the United States during 1962, according to Raymond Willard, Granite City police chief, who urged special caution by drivers when confronting youngsters on the bicycles.

He said it was the heaviest toll since 1949. In Illinois, 22 deaths and 1638 injuries resulted from 2071 reported collisions between motor vehicles and bicycles during the year. A study of this type of accident discloses that children in the five to 14 age group were involved in almost half of the total number, the chief said.

A bicyclist is neither a pedestrian nor a motorist. Willard said, but as a road user is subject to traffic regulations as they apply.

At age 67, he finally went into person to his Social Security office. There he discovered that he had over \$400 between the ages of 65 and 66. Although he age 65 or near 66, he did not work at your telephone. For these four months, he could Quad-Cities area have been paid his monthly \$8700.

apply. "Riding a bicycle can be dangerous or it can be comparatively safe, depending on the bicyclist and the driver of the motor vehicle."

The chief suggested that the following rules be observed by bike riders:  
Ride on the right side of the road.  
Obey all traffic control regulations and use proper hand and arm signals for turns and stops.  
When cycling with others, ride in single file.  
Save stunting and showing off for yards and other non-traffic areas.  
Never try to squeeze in between two lanes of traffic.  
Dismount at busy intersections and walk the bike across.  
At night, have a front light and a rear reflector.

social security checks. However, because he had not filed his application at age 65, these four monthly payments were lost.

Brasher added that if you are to continue for two minutes in the Declaration of Independence Hall, Philadelphia, will be rung from the east side of the state Capitol at Springfield.

## July 4 Bell Ringing Will Be State-Wide

Gov. Otto Kernner this week issued a proclamation calling upon church leaders and civic and government officials to participate in the Independence Day observance this year by ringing of bells throughout the state.

The idea was launched in the Quad-Cities several months ago by members of Concordia Lutheran Church. They petitioned the Tri-Cities Chamber of Commerce which endorsed the program in May and a resolution was adopted by the Granite City council calling upon churches to join in the nationwide bell ringing program.

In his proclamation, the governor said the bell ringing will be an annual July 4 event in the state.

During next week's July 4 celebration bells are to be sounded locally at 1 p.m.—the same time the Liberty Bell in Independence Hall, Philadelphia, will be rung. The bell ringing is to be continued for two minutes in the Declaration of Independence Hall, Philadelphia, will be rung from the east side of the state Capitol at Springfield.

# Merchants Hand Park Club Double Defeat; Rister Tops Lamb In 11-Inning Duel, 1-0

Butch Rister bested Howie Lamb in an 11-inning pitcher's duel here last night as the Alt-Wood Merchants nipped Granite City Park district 1-0 in the first game of an exhibition softball doubleheader at Wilson Park.

Alt-Wood won the second game also, scoring twice in the seventh inning to break a tie and cart away an 8-6 decision. The double loss left the park with a 10-10 record for the season. The club is idle until Saturday, when it meets with the Legion of St. Louis in a first-round game of the park district invitational tournament at 9 p.m.

Both Alt-Wood and the Park managed six hits in the long evening last night, with Rister, Doc West's sacrifice fly first game and an infield out getting the only run of the game after the Merchants in the 11th.

**Leave 11 Stranded**

The park nine had numerous opportunities against Rister, leaving 11 batters stranded. Rister, who pitched for the Merchants, struck out seven on strikes and issued two free passes.

Merchants' catcher Leto broke up the second game

## Boy Bags 47 1/2-Lb. Catfish With Motorboat

Ever have a head-on collision with a 47 1/2-pound spoon-bill catfish? Twelve-year-old Hiram Viessman did—this week while driving a motorboat on Horseshoe Lake.

Young Viessman, the son of Mr. and Mrs. Bud Viessman, 5149 Lakeview drive, said that he was cruising along in a motorboat at about 30 miles per hour when he struck something which he thought was a log. When he went back to investigate, he found the propped-up body of a four-foot, five-inch spoonbill catfish floating in the water. He hauled the fish into the boat and took it home.

Since the body was too mutilated to eat, the Viessmans have donated it, but he plans to mount it.

THE FOOT-WIDE HEAD of a 47 1/2-pound spoonbill catfish is a prized trophy of Hiram Viessman, 12. Young Viessman struck the catfish with his motorboat while cruising on Horseshoe Lake at about 30 miles per hour.

## M&M Retains First Place With 6-1 Win

Outfit 8-5, Millie & Mickey's, however, held on to first place in the "A" division of the Granite City park district's Classic Softball league Tuesday night with a 6-1 victory over the GC Oilers.

The winners, now 3-0 and a half-game up on second-place Rome & Roy's, made every one of their hits count as they scored runs in pairs in the second, fourth and fifth innings of loser George Lloyd.

The Oilers threatened in five innings against winner Jerry Voloski. But only in the second, when they put together three hits, could they dent the plate.

Both clubs turned over one double play. The winners were helped by four other miscues and four walks. Voloski was touched for eight hits, but walked just one and struck out six. Lloyd was hit for two and struck out three. The Oilers dropped and was given up by three wild pitches. The Oilers dropped their fourth game in five outings.

Spengler-Dawson won the other scheduled Classic game 7-0 when Madison Bowling Club could not field a team and was forced to forfeit.

## Construction Of Three New Tennis Courts To Begin At GC High School

Construction of three new tennis courts immediately south of the three present Granite City high school tennis courts was given final approval Tuesday night by the Granite City school board.

A \$6403 low bid from Modern Asphalt Co., East St. Louis, was accepted, giving the project a "green light." The new courts will be back-to-back with the existing courts, utilizing one of the present wire fences as a joint backstop.

Other bidders were Holland Asphalt Co., East St. Louis, which bid \$3300 erroneously and asked to change the figure to \$7503; the Holland Asphalt Co., Granite City—bid \$4000; and Miller Asphalt Co., Edwardsville, \$14,475.

To Add Cold Surface

It was tentatively decided to add a cold-mix surface to the existing courts. The new courts will be back-to-back with the existing courts, utilizing one of the present wire fences as a joint backstop.

The cold application was suggested in a letter from Al Barnes, Jr., president of the Granite City Tennis club, who described a product as "the best tennis surface available" and said an application to the present courts also would "make them equal to any in the area."

A report is to be prepared on the surfaces available and the experience other districts have had with them.

Barnes commented, "In the half of all the tennis players of Granite City, we thank you for your announced intent to build three new tennis courts adjacent to the present high school courts."

**Need Cited**

"This action is more than soon, although we realize the tremendous burden and responsibilities you and the members of the board have carried these past seven to ten years in our school system's huge expansion program."

It was noted that the new courts will extend southward along Grand avenue onto an unused practice football field and will halt use of the area as a practice ball field, since it will occupy too much of the playing area.

The diamond was graded this year by the park district.

During Tuesday's board meeting, praise from the Granite City School Association for the GCIS baseball team—second in the 1963 state tournament—was reported. Possibility of arranging local honors for the team was discussed briefly by board members.

## Inter-City League All-Star Squads Will Be Picked Here Friday Night

Managers of the 10 Southwestern Illinois City Baseball league clubs will gather here tomorrow night to select division playing rosters for the I-C's annual all-star contest, to be played at Carpenter on Sunday, July 7.

The managers are charged with selecting three players from each of the five clubs within their own divisions and issued two free passes.

He also stressed the importance of 100% representation at tomorrow night's meeting, since any team which is not represented by manager or coach will stand the chance of missing out altogether when selections are made.

The team managers also will decide Friday on who will serve as manager and coaches for the

**WIN THE PEOPLE'S CAPITALISM**

A few years ago a representative group of Americans gathered at a university round table to discuss our economy, and named it "people's capitalism."

Reaction from the Communists was instant. They are appalled. They called it "impossible as dried ice." They mobbed their professors who wrote papers proving to their complete satisfaction there could be no such thing as "people's capitalism."

The fact is that much of the capital that runs America comes from the millions of people who make up America. It flows into our economy through their savings accounts, pension funds, stock and bond purchases, life insurance premiums.

Through the \$45 billion worth of U.S. Savings Bonds held by tens of millions of Americans.

This stake the American people have in their country is evidence of our faith in our way of life and our determination to keep our freedom intact. It is a stake in our kind of life over the world in its fight against slavery and oppression.

## Street Crew Repaves Section Of 27th St.

A section of the 27th street parkway, which was badly deteriorated, was repaved with a layer of asphalt Tuesday by the street department.

Street Supt. William Warfield said the concrete pavement was broken and heavy traffic was crumbling the remaining surface. He was authorized to apply a layer of 1-1/2 inch asphalt. The superintendent reported to the council Monday night the cost would be paid from the street department maintenance funds.

The street had been repaved with tar, which proved unsuccessful with the arrival of warm weather.

## Wilmer "Hap" McDowell, 43, Dies Suddenly

Wilmer "Hap" McDowell, 43, of 3408 Nameoki road, was found dead at St. Elizabeth Hospital at 4 a.m. Wednesday. He had been ill with a heart ailment for about five years.

Born in Granada, Mo., Mr. McDowell had lived in the Quad-City area for 40 years, the last 10 in Granite City. He was employed at Granite City Steel Co. until he retired five years ago, when he suffered a stroke and underwent surgery for amputation of his left leg. He was a member of the Granite City Elks Club.

Mr. McDowell is survived by his wife, Virginia; a son, William Michael, Granite City; his parents, Mr. and Mrs. Chester McDowell Sr. of Madison; two brothers, Chester Jr. of San Angelo, Tex., and Lawrence of Collinsville; and a sister, Mrs. Zoe (Clayton) Vandave of Collinsville.

Funeral arrangements are given in today's obituary column.

## Sidewalk Sales Set At Bellemore Village

A wide variety of merchandise will adorn the sidewalks of the Bellemore Village Shopping Center as merchants of the shopping center association will conduct a "Sidewalk Sale" on Friday and Saturday.

The sale will be conducted during regular business hours with all merchants in the shopping center participating in offering special "sidewalk bargains."

## Weeds, Trash At Rear Of House Ire Neighbor

Complaints by a neighbor have been made to city officials and the Press-Record of high weeds, trash and debris in the back yard of a vacant two-story apartment house at 2038 Grand avenue.

The property, owned by Peter Markey, proprietor of a local plumbing firm, was in the process of being condemned. More than two years ago, but a building permit was obtained by Markey with intentions to renovate and rent the building.

William Jenkins, assistant city inspector, said Markey has been notified of the condition a number of times, and a 10-day notice is to be served this week. If action is not taken, Jenkins said, a warrant will be issued and the owner can be fined.

A truck is parked in the yard and loaded with debris. Weeds are beginning to grow out of the trash.

Markey said that remodeling of the building is under way. He said he was on the property earlier this week, and the conditions are not as bad as depicted. He said the weeds are reaching five feet tall.

"And it's my business where I park my truck," he said, "and it will be taken care of."

## Nameoki Twp. To Hold Meetings On Sewer Issue

During the fall months a series of public meetings is planned in the Nameoki township area to acquaint residents with revised plans for the proposed sanitary sewer system for the township. It was announced by Supervisor Harry A. Briggs at a meeting of the town board Monday evening.

"We'll have 40 meetings, if necessary. We want to get the details before the people," he said.

But much depends on a suit now pending in the St. Clair county circuit court filed by Nameoki township against the State Sewer & Sanitary District. In the suit, the township and Supervisor Briggs seek to have a recent state law declared unconstitutional so that the sewer district may issue general obligation bonds to aid in financing the sewer project. The suit is on file in the St. Clair county circuit court at Belleville.

The law, which became effective last Jan. 1, forbids a sewer district from issuing general obligation bonds without a district-wide referendum.

These railroad laws positioned the court to dismiss the suit, and a hearing on the dismissal petition was continued from last Friday to July 12.

Monthly Preliminary figures compiled by the engineering firm of H. W. Lochner & Co., Design said that the monthly charge for sewer rentals will be about \$3 a month.

In other action, the board approved a resolution prescribing the procedure for the appointment and removal of a deputy tax assessor. Township bills approved were \$312 for road and bridge repairs and \$34 for town fund disbursements.

Supervisor Briggs announced that he will meet this week with H. W. Lochner engineers to discuss district maps being made by the firm. The maps are expected to settle a question concerning 25 lots in Eagle Park and surrounding areas. There has been confusion as to whether the lots are in Nameoki township or Venice township.

## Hairston To Make State Report At NAACP Meeting

Hugh Hairston, 90, Madison street, Venice, state freedom fund chairman for the NAACP, will leave Monday to submit a financial report for the state during the national convention of NAACP which opens this day in Chicago. It will continue through July 6.

Hairston said the Madison Branch of NAACP has contributed \$210 to the fund. Local delegate to the convention will be Rev. E. L. Jennings, president of the Madison chapter and pastor of the Mt. Netu Baptist Church.

## Next Anchorage Notices To Be Mailed July 1 Or 2

Notices will be mailed next Monday or Tuesday to 22 persons who have applied for apartments in the Granite City Housing Authority's Anchorage Homes for the elderly.

The initial 24 units were opened last week, and the remaining apartments are to be occupied by the end of summer. The development at the eastern end of East 25th street and Jackson street is a federal low-income housing project.

### METHODIST WOMEN STUDY EAST ASIA

A meeting of the Every-member circle of Nameoki Methodist Church was held Tuesday evening in the home of Mrs. Irene Pierce, 2031 Anna street, chairman. Mrs. La Ann Briner, chairman, conducted the business meeting and announced that vacation Bible school will start at the church on July 1. There also will be a beer and pretzel social on the church lawn Saturday evening.

The lesson for the meeting was entitled, "Tim of East Asia" and was presented by Mrs. Dorothy Luckert, Miss Morene Goshong and Mrs. Beat Cauley.

There were two guests, Mrs. Helen Metcalf and Mrs. Mary Jo Hein, and among the members present were Mesdames Johanna Collett, Gladys Wallace, Lexie Vick and Ruth Hancock.

The next monthly meeting will be held in the home of Mrs. Ann Siskoff, 2117 Lindell Blvd., on July 23.

### CRADLE SHOWER HONORS MRS. RUTH MORELAN

Mrs. Opal Davis and Mrs. Carol Davis were co-hostesses for a cradle shower honoring Mrs. Ruth Morelan Tuesday morning in the Davis home, 4925 Muller drive.

The traditional colors of pink and blue were used in the decorations. A large stork served as the centerpiece, and each guest was given a miniature stork as a favor.

All the gifts were placed in a decorated bassinet. A dessert course was served by the hostesses, and the cakes were decorated on top with blue and pink hoodies.

Games were played and prizes were awarded to the winners. Those present included Mesdames Ellen Whiteside, Betty Woods, Juanita Barnes, Betty Self, Thelma Morelan, W. Stark and Linda Lowery.

### PICNIC ENDS SAND PRAIRIE 4-H YEAR

The last meeting of the year of the Sand Prairie 4-H club was held at a picnic at Wilson Park Tuesday afternoon, with Marcia Barnett, president, conducting the business meeting. Work on projects will be continued during the summer so the members are ready for the County Achievement Days to be held in July.

Talks were given by Susan Lucido on "Home Safety," Sandra Lucido on "How To Make a Chocolate Cake" and Carl Crawford on "First Aid." A prize was won by Carol Ann Biggs.

Others present were Norma and Patsy Thorne, Joeline Travis, Jean and Carol Smolar, Marguerite Ward, Carol Palk, Sharon Roulard, Renee Holland and Mrs. Paul Steudacher, leader.

### PRESBYTERIAN WOMEN DESSERT LUNCHEON

The Evening circle of the Nameoki Presbyterian Church met Tuesday evening in the home of Mrs. Bea Pyle, 8 Terrace lane, for the regular monthly meeting. The lesson, entitled "A People Called Out," was given by Mrs. Fern Mitchell and the missionaries of the day were given by Mrs. Bea Pyle.

Following the meeting a dessert luncheon was served by the hostess to six members, including Mesdames Ann Freeling, Lou Pyle, Louise Thompson and Irma Taylor, and Mrs. Martina Spitz, a guest.

The next meeting will be held on Sept. 24. The meeting place will be announced later.

# Mock Evacuation At St. Elizabeth Hospital Draws Large Crowd

**DARING RESCUE** from St. Elizabeth Hospital in yesterday's mock evacuation of the second floor for the annual fire drill. The entire floor was evacuated of 40 "Candy Striper patients," but lowered from a window was a Granite City fireman, Harold Postel, who is shown riding a basket stretcher on a rope and ladder scaffold set up by city firemen. (This photo was taken by a Granite City policeman, William Condit.)

**PREPARATIONS FOR LOWERING** a hospital "patient" from a second floor window in the mock fire drill and evacuation of St. Elizabeth Hospital are Granite City Fire Capt. Floyd Bell (left) and Fireman Edw. McGovern (right). The "patient" is fireman Harold Postel.

**SAFELY ON THE GROUND** and resting easy in the shade of the hospital grounds is the "rescued" fireman "patient." The mock fire drill and second floor evacuation of the hospital attracted several hundred spectators yesterday afternoon.

**EVERY POSSIBLE METHOD** of evacuation was used in yesterday's fire drill at St. Elizabeth Hospital. The problem was to evacuate the second floor. Here "Candy Striper patients" are being taken to safety via an elevator with the assistance of nurses aides.

**COMMAND POST** for yesterday's fire drill and mock evacuation at St. Elizabeth Hospital was the main lobby switchboard being manned by Mrs. Helen Bernick. Supervising the evacuation are Bernard Pinney (left), hospital personnel director and former city fire captain, and T. E. Rebert, director of the hospital methods department.

**Bill To Hike Legislators' Wages Passed** (Special from Springfield)

A bill sponsored by Rep. Leiland Kennedy (D-Alton) which would raise the annual salaries of members of the Illinois General Assembly from \$6,000 to \$7,500 was sent to Gov. Kerner today following its final passage in the Senate last night.

The Senate approved the bill by a vote of 30 to 18, just over the required majority. The General Assembly is scheduled to end its current session June 30.

Two other bills to raise legislators' salaries to \$9,000 a year were held on the Senate calendar. One is tied to approval of annual sessions and the other permits the use of motor fuel tax funds to finance the increase.

Rep. Kennedy, the sole sponsor of the \$7,500 salary bill, offered it as a possible compromise solution should the two other salary increase proposals run into trouble in the legislature.

Voting on the Kennedy bill included, yes — Rep. Paul Simon (D-Troy), and no — Rep. Alan Dixon (D-Bellefonte).

**License Revoked For Shastid's Irish Inn**

The county liquor license of Ludie Shastid, operator of Irish Inn on Chouteau Slough road, was ordered revoked by the Madison county liquor commission, according to an order given the sheriff's office today by Harold Landolt, county liquor commissioner.

A show cause hearing was held last week at Edwardsville by the commission on complaints of liquor sales to minors during the spring. The groups of teenagers were from the Wood River-Roxana area according to testimony.

The sheriff's office has been instructed to deliver the notice to the proprietor today.

## 9 GCHS Students Work As Guards At Wilson Park Pool

Nine Granite City high school students are employed as life guards at the Wilson park swimming pool, according to Harold Brown, superintendent of the Granite City park district.

The pool manager is Walt Whitaker. Jim Alsop, assistant manager and head guard, is the only college student on the staff. Judy Matras is the only girl on the life guard staff. She works on weekends when the pool has larger crowds.

Serving their second season at the pool are Dennis Petroff, Jim Parker, Mike Jesse and Kenneth Huber. Others on the staff are Ron Yates, Jim Cant, Randy Thompson and Ricky Teutobach.

Four guards are on duty each day, working on alternate days. The pool also employs three boys and two girls for the change rooms and a cashier.

With instructors teaching swimming classes in the morning, the park pool employs 25 persons, Brown said.

## St. Elizabeth's Girl Scouts Earn Marian Award

Senior Girl Scouts of St. Elizabeth's school Troop 205 have been presented with the Marian award by Rev. John Franklin, assistant pastor, during a Mass.

It is the first troop at St. Elizabeth's to earn the award. It helps Catholic Girl Scouts gain additional knowledge of their faith while pursuing such fields as arts and crafts, literature, international friendship, nature, homemaking and community life.

Duty to God, part of the basic philosophy of the Girl Scouts and Camp Fire Girls, is embodied in the award. A similar honor, the God and Country award, is presented to Protestant Girl Scouts.

Girls earning the Marian award were Mary Ann Straubinger, Kathy Hill, Nancy Wittenberg, Patricia Ann Schmidt and Agnes Pisel. Their leader is Mrs. M. J. Hill. The troop is sponsored by the parish Altar Society.

## New Plans Outlined At Jaycee Board Meeting

The board of directors of the Tri-Cities Junior Chamber of Commerce held its June meeting last night in the First Granite City National Bank.

Alvin Barnes III, president, said the purpose was to terminate the past year's business, to turn over current projects to the newly-elected board members and to discuss future programs and events. Barnes presided as acting board chairman in the absence of chairman Jerry McPherson, who is attending the national Jaycee convention in Louisville, Ky.

During the meeting, president-elect John Worthen outlined his program for the coming year and assigned duties to the new officers.

Barnes said that progress reports were read by project directors planning the Jaycee homecoming, to be held Aug. 9-11 in Granite City. It was announced that the highlight of the three-day event will be two country and western musical shows, which will feature Lester Platt and Earl Scruggs, of "Beverly Hillsbillies" fame. More information concerning the homecoming will be released soon according to Barnes.

The board also discussed plans to enter a kitenball team in the annual District Eight kitenball tournament to be held in Highland of July 14. The Jaycee will be one of 19 Southwestern Illinois teams entered in the tournament.

The Jaycees will hold its 1963 officer installation Saturday night, July 6, at Augustine's restaurant in Belleville. Charles Cherry, former Missouri Jaycee state chaplain, will be the guest speaker at the annual installation.

# MORE ABOUT Tentative GC Budget

(Continued from Page 1.)

\$23,176 (the full amount is granted, it would amount to about \$33,000 a year.

Personnel Committee Chairman Donald Partney said he had nothing to report as yet on the progress of negotiations. In the talks, the committee is endeavoring to touch on job evaluation and program of longevity.

**\$40,000 For Fire Station**

The largest of the new items in the tentative budget proposal is \$40,000 for a new fire station in West Granite. The fire department budget also includes a new auto for the chief, listed at \$2,700. The present car, listed at \$1,500, is due for replacement, the assistant chief, alderman said.

Repairs to the damaged new fire truck were set at \$15,000, also a new budget item.

In the street department, the new items listed are a lift station warning system, \$4840; new

auto for the street superintendent, \$3000; a new grader, less trade-in, \$18,000; a new high-lift, less trade-in, \$5500; a new compressor and air tools, \$8000; a new street sweeper, \$10,000; and office supplies, \$300.

No estimate was available on the proposed remodeling of the first floor lobby of the city hall to provide additional space for the police department. Added items for the department were odor removing devices for the jail, \$400; paint team expenses, \$500; furniture for the chief's office and records department, \$550; a copy machine, \$125, less trade-in, and painting the jail, no estimate.

Only minor adjustments were made in the estimated expenditures for other departments.

# Granite City Alderman Earl Thompson Brought Up the Thompson Committee Chairman Alderman Paul Rutledge submitted the \$24,218 half-month payroll for approval.

While Thompson did not mention the name or position in asking if the city was going to continue paying full salary to an employee putting in a half-day, Mayor Davis answered him: "That's my secretary, you're referring to. I heard this would probably come up tonight and I was wondering who would do it."

**10 Years Without Vacation**

He said his secretary, Mrs. Ruth Eberhart had gone for 10 years without a vacation and without extra compensation, and that she was entitled to some time off now.

He added that starting July 1, while a new secretary, Mrs. Vivian Pauly, 2218 Cleveland blvd., would go on half-salary, while a new secretary, Mrs. Pauly, would be leaving her city work with her during the month of July.

Mrs. Eberhart is leaving her city post July 31. She was graduated with honors last year at the Quind-City-Edwardsville-SWU

# Granite City PRESS-RECORD Page 18 Thurs., June 27, 1963 Out-Of-Court Settlement Ends Jury Setting Here

A city court jury was dismissed from its two-week setting by Judge Fred P. Schuman here Tuesday after the final case on the docket was settled out of court.

The jury had heard some testimony in an accident injury suit filed against the H&R Furniture Co. by Ruth Golding, but at the time of the jury setting, the case was settled out of court by agreement of the parties.

The settlement was not disclosed.

Payment of salaries was approved unanimously by the council.

The current salary for the position is \$489 a month, with added compensation for doing stenographic work for City Engineer David Johnston.

Twenty-five members were present, including Ann Kosick, Mary Gages, Walla, Gottfried, Joanne Rozek, Pauline Dunn, Vivian Mitchell, Betty Lampton, Myra Millsap, Elaine Daugherty, Theresa North, Flo Leiner, Peggy Householder, Betty Papp, Irene Kovach, Billie Smith, Belle Storf, Fay Vitale and Betty Lyons.

## Bid Call Soon On Installing Storm Sewer In Madison

A call for bids for construction of the remainder of Madison's storm water drainage system has been set for July 3.

Mayor Stephen Maestas reported at a city council meeting Tuesday night.

Plans and specifications could not be completed until work around the new pumping station near the Mississippi River is completed. The main channel between the pumping station and the river has yet to be cleaned, the mayor said.

Plans and specifications are being prepared by Sheppard, Morgan and Schwaab, consulting engineers. Contracts will be let about 30 days after publication of the bid notice next month.

The drainage system is to be extended from Eighth street north to the city limits on Washington avenue as the city's portion of a system which includes the rest of Madison avenue, Main street and Venice. The East Side Levee & Sanitary district financed the other work.

Specifications also will include repaving of Washington avenue and curb and gutter work.

The council approved a one-year lease of 3.6 acres of Chain of Rocks bridge property to Frum-Colson Construction Co. for \$800 per acre, a total of \$2880.

The construction firm will be authorized to excavate and remove earth fill to a depth of 15 feet for use in construction of new Interstate Route 270 which will lead to a new toll free bridge north of the city-owned Chain of Rocks bridge.

Prior to the meeting, the council and other city officials reviewed a voluminous traffic inventory—an analysis of a Madison traffic report for 1963—with Howard Pyle of the National Safety Council, Chicago. They also viewed traffic safety films.

The report presents recommendations for improving the city's traffic program in an effort to reduce the traffic accident toll. It shows the city had no fatal traffic accidents in 1959 or 1962, one in 1960 and two in 1961. There were 44 personal injury accidents in 1959, 35 in 1960, 45 in 1961 and 44 in 1962.

Recommendations included school and public traffic safety programs, marking crosswalks at 45 intersections, a driver improvement school for violators under supervision of the city magistrate court and organization for traffic safety improvement.

The report said that the strongest areas of the city's program are accident records and traffic engineering.

Comments On Parade  
Mayor Maestas strongly denied accusations that he refused to approve a permit for a parade and demonstration held last Sunday by the Madison branch of the National Association for the Advancement of Colored People.

A request for a permit was addressed to the mayor and the city council, he said, but the council could take no action on it as there was no council meeting before the demonstration was held. However, he said he arranged with Madison police to work with Venice police in assisting in the parade, which he termed orderly.

"We have policies regarding parades," the mayor added, and "I would never deny anybody a permit" if the function followed policy requirements. The parade and demonstration were held in memory of M.W. Evers, NAACP leader killed recently in Mississippi.

Library Report  
A city library report for the year ending June 30 showed 2354 borrowers, 40 non-resident borrowers who paid a fee of \$2, addition of 680 books, withdrawal of 205, five newspapers and 69 titled periodicals, and withdrawal of 765 periodicals.

The report showed 12,410 books and 6683 periodicals now in the library, and total annual circulation of 44,595 books and 55 films. A summer story hour program was held. The library is open six days a week.

The mayor expressed appreciation to library personnel and to the board of directors.

A resolution establishing prevailing wages for the area was approved in compliance with the state prevailing wage law.

Fire Agreement  
A reciprocal fire protection agreement in time of need with the Granite City Army Depot was approved.

The council also approved \$3000 surety bonds with Maryland Casualty Co. for five special policemen.

The meeting was scheduled for 8 p.m. but did not start until 9 p.m. because of the traffic inventory. Aldermen utilized the 8 to 9 p.m. period in preparing their reports.

wing were evacuated to the new wing.

### Window Rescue

Granite City firemen participating in the operation placed a 45-foot ladder at a second floor window of the new wing and raised a wire basket equipped with straps.

A fireman, Harold Portell, pretending to be a patient, was lowered from the window. Persons who explained patients would be evacuated in this manner only if all exits were shut.

At the sound of an alarm, service personnel, such as kitchen, laundry, office and laboratory workers, close their departments and proceed to the lobby where they await orders from the methods director. Persons from this lobby pool, consisting of about 100 workers, are sent anywhere in the hospital to assist with the evacuation of patients.

### Lights Are Signals

When a department is closed, all lights and oxygen are turned off, and the doors are sealed with roll-down wet blankets to keep the smoke from seeping to other rooms. A similar procedure is followed in patients' rooms, but the lights are turned out only after the patient is evacuated. The light is therefore a signal to firemen outside that someone is still in the room and has to be evacuated by ladder.

St. Elizabeth Hospital is somewhat unique in that it has a former fire department captain for a personnel director. Bernard Pinney, who retired from the Granite City fire department in June 1961, set up the hospital's evacuation procedure.

At the alarm signal, it is his job to go to the site of the fire and supervise fire-fighting operations. The hospital's administrator, Sister Mary Thomas, works with Pinney and Methods Director Robert and the switchboard.

Yesterday's Evacuation Most of the "patients" evacuated yesterday were taken out of the Iowa street exit on the end of the new wing. They were placed on cots which had been set up outside by service personnel. The remainder of the evacuees were taken out of the front exit and placed on cots set up outside the door. Sister Mary Thomas said that when alert sounds babies are taken from the nursery to their mothers.

Eddie Powers Jr., 109 Mercadia street, charged with operating a vehicle without a license. Police had not determined the driver. A hearing will be held either this afternoon or Saturday before Police Magistrate Wesley Edwards.

Richard Moslander, 17, of the 2000 block of Edwardsville road, Madison, was taken by ambulance to St. Elizabeth Hospital at 2:10 p.m. yesterday after striking the windshield of his auto as it crashed into the rear of the parked car of Mike Hrysko, 1533 Sixth street, in front of the Hrysko home.

The windshield was broken and the youth suffered lacerations across the nose and right side of the forehead. He was released after treatment. His car, damaged about the grille, was towed to a garage.

### MISS SHARON RAE CARUSO

whose engagement to James Allen Grafton, Coulterville, Ill., was announced by her parents, Mr. and Mrs. Tony Caruso.

### Grafton-Carusos Engagement

Mr. and Mrs. Tony Caruso, 308 Troy avenue, Troy, are announcing the engagement of their daughter, Sharon Rae, a former Granite City girl, to James Allen Grafton, son of Mr. and Mrs. LeRoy E. Grafton of Coulterville, Ill.

She attended Granite City schools and is presently a junior at Southern Illinois University, Carbondale. Her fiancé is a 1963 graduate of Southern Illinois University, where he received a bachelor of science degree in general management. He is preparing to enter flight training school in the Air Force, where he will make his career.

Miss Caruso is the granddaughter of Mr. and Mrs. Lawrence Caruso of Venice and Mrs. Gertrude Bundy of Granite City. A Sept. 7 wedding is planned at the First Presbyterian Church, Collinsville.

### Auto Vandal Sought

Venice police are seeking to learn the identity of a vandal who poured black enamel paint on the exterior of the green 1961 auto of Henry Stiefel, 2524 Cleveland Blvd., on the Terminal Railroad Association parking lot, early this week. Seats of the car were slashed and the dashboard was damaged.

### Girl Injured Slightly In Roller Skate Mishap

Sheila Ann Struckman, the five-year-old daughter of a Forest avenue, suffered a slight cut to her left thumb when she fell in the kitchen of her home while wearing roller skates. The child was carrying a glass.

The girl's mother said she had brought the glass inside from a backyard barbecue pit and she slipped on the slick kitchen floor. She was taken to St. Elizabeth Hospital and was treated and released.

### New 100-Year-Old Madison Resident

The Madison Nursing Home's oldest tenant, checked in shortly before noon today.

She is 100-year-old Mrs. Minnie Hasty, a native of Kentucky, long time Dupont resident and a grandmother of Mrs. William Hasty of Venice, with whom she had lived for home for 11 years prior to entering an Alton nursing home in 1957.

Madison's newest resident is the widow of John Hasty, who died 21 years ago. "Outside of being a little hard of hearing, she's very spry," Mrs. Hasty's granddaughter said.

And Mrs. Hasty proved it by climbing out of the auto which brought her here and walking into the nursing home, where records show her to be the eldest resident ever.

of the fund in the last two days. Recent pledges have been received from the Quad-City Publishing Co., publishers of the Press-Record; the A. O. Smith Corp., American Steel Foundries, Inc., and the Tri-City Grocery Co.

Mrs. Wortman added that the deadline for local contribution pledges is set for the end of June, but that donations will still be accepted throughout the summer.

Mrs. John Lee of Venice reported receiving 80% of contributions totaling \$351.

### Truck, Auto Collide

An auto driven by Janet A. Rhine, 17, of 2636 Fortune drive, and a tractor-trailer truck, operated by Cleveland E. Mezo, 32, East St. Louis, were involved in a collision at 1 p.m. yesterday at 21st street and Lee avenue. Damage was minor, police said.

### Driver Fined \$20, Costs

W. D. Elliott, 41, of St. Louis, was fined a total of \$20 and costs today by Police Magistrate Gasparovic on charges of having no driver's or state licenses. His car was parked near the Granite City police station.

board on the approach to new agreements.

Plans were made to delete the previous agreement with Local 525 stipulating that the board would abide by any arbitration rulings. This section is opposed as contrary to state law, which says the board cannot transfer its decision-making responsibility to others.

An analysis of the Local 525 request relating to two employees showed that total extra cost for the next two years would be \$274.

### Other Agreements Pending

New agreements also are pending with carpenters, laborers and painters, and it was noted that wider use of vehicles will be sought if there is general agreement on jurisdictional flexibility. Some of the workers' demands include the right to use private autos in hauling equipment from school to school, Board President Ralph Frycker said.

Dr. Kaiser told the board that specific financial information relating to the availability of funds will become available after July 1, start of the new fiscal year, but that there is still uncertainty over the amount of assessed valuation and federal aid to the district. He said the 1963-64 budget will be submitted for tentative approval by July 25.

The \$200,000 operating debt at the close of 1962-63 compared with \$400,000 a year ago and with \$500,000 two years ago, but present commitments and ed to send the debt upward again next year.

### Early Morning Brawl

Downtown, 4 Arrested

Four persons were arrested at 4 a.m. yesterday in a fight in the middle of the street in front of 1837 State street and appeared before Police Magistrate Gasparovic on a total of 10 charges.

They are Jacqueline Nicola, 22, who gave addresses at 1317 Madison avenue and 5800 Greenwood street; Madison resident Fred Kofelt, 25, of 1837 State street; Fred E. Fairfield, 28, of 400 Kirkpatrick; Horace and Faye Sutt, 19, of 2019 Washington avenue.

The Nicola woman, who was scheduled for trial on burglary and larceny charges this court at Madison county circuit court at 10 a.m. yesterday, was fined \$10 and costs for profanity and \$25 and costs for refusing to obey an officer's order. She pleaded not guilty to creating a disturbance and fighting. She was released on \$100 bond for a hearing on July 18.

Kofelt was charged with being drunk and creating a disturbance and was released on \$47 bond today pending a hearing June 28.

Fairfield was charged with being drunk, creating a disturbance and fighting and was released on \$63 bond yesterday.

Suit woman was fined \$5 and costs on a charge of creating a disturbance.

### Grease Burns On Stove, Firemen Get Two Arrows

Granite City firemen were called to an eight-room frame apartment house at Alexander and Herbert streets at 9:30 p.m. Monday after grease began burning on an electric stove in an apartment occupied by Ernest Miller.

The estimated loss was \$50 to the contents and \$200 to the building, owned by the Judd Real Estate Co.

Firemen were called to the same building at 10:55 p.m. where smoke had filtered in from the other apartment. There was no damage.

### \$300 Loot Taken From Auto Parked In GC

L. D. Seville of Jacksonville, Ill., reported to Granite City police that the vent window was forced open and his auto was looted while parked on the Union Street and Refining Co. parking lot between 2:45 and 4:30 p.m. yesterday.

Taken were a transistor radio and a brown two-stor suitcase containing a gray suit coat, two pairs of trousers, shaving gear and papers. Total value was estimated at \$300.

### Screen Broken At Home

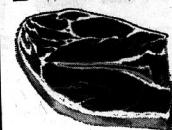

Mrs. George Lynch, 2530 Edison street, reported at 10:25 a.m. today that a screen on the south side of her house had been broken. Nothing was missing.

### Kardettes Club Closes Season

A party for the Kardettes, the last of the season, was given Monday evening by Mrs. Margaret Green, 3131 Colgate place. Those to whom score favors were awarded were Mrs. Barbara Nemeth, Mrs. Wenona Kibort, Mrs. Helen Todoroff, Mrs. Bubbie Hudson and Mrs. Dorothy Sheppard.

A buffet supper was served to the prize winners and Mrs. Betty Papp, Mrs. Emma Jaklich and Mrs. Frances Skubish.

The next meeting of the group will be held Sept. 18 in the home of Mrs. Sheppard, 1744 Primrose avenue.

#### VISITS RELATIVES

Mrs. Clara Wadlow, 2450 Benton street, returned Tuesday from visits with relatives in Springfield and Mountain View, Mo. In the latter city she attended a reception in honor of the golden wedding anniversary of her brother-in-law and sister, Mr. and Mrs. Ralph Eads.

MISS HESTER HAHN, whose engagement to Harry Ellsworth of 2770a Iowa street, is being announced by her parents, Mrs. Frank Murphy, 2420 Edwards street, and Frank Hahn of Carlinville, Ill. The date set for the wedding will be Aug. 9.

### Mrs. Barnes Elected President Of Jayceettes

The Jayceettes held its 1963 election of officers Monday night at the Big Top Bowl and Marcela Barnes was named president.

Other officers elected at the meeting, attended by 14 members and two guests, were Loretta Worthen, vice-president; Sally Herbst, recording secretary; Donna Wetherholt, corresponding secretary; and Joyce Hogan, treasurer.

Phil Jurgenson, meeting chairman, announced the installation of officers will be held in conjunction with the Jaycees officer installation July 6 at Augustine's restaurant in Belleville.

Final reports of the year were given by committee chairman. Alvin Barnes III, president of the local Jaycees, and Paul Morris, chairman of the Jaycees homecoming committee, were guests. Betty Lake and Betty Young were hostesses.

Mrs. Kerch Is Hostess For PEO

Chapter HT of the P.E.O. Sisterhood held a called meeting Monday afternoon in the home of Mrs. Richard Kerch, 2910 State street, for the purpose of hearing a report by Mrs. Richard West, president, of the state convention held recently.

After the program Mrs. Kerch served luncheon and a miscellaneous bridal shower was given for Miss Jacqueline Walters, daughter of a member, Mrs. Gerald Walters. The chapter then adjourned for the usual summer recess. Nineteen were present.

Mrs. Frank Murphy, 2420 Edwards street, and Frank Hahn of Carlinville, Ill., are announcing the engagement of their daughter, Miss Hester Hahn, to Harry Ellsworth of 2770a Iowa street, son of Mr. and Mrs. Harry Ellsworth, 4201 Brune avenue, Granite City.

Miss Hahn was graduated from Granite City high school this month and is employed at General American Life Insurance Co., St. Louis. Mr. Ellsworth was graduated in June 1962 from Granite City high school and is employed at Granite City Steel Co.

The wedding will take place Aug. 9 at the Pontoon Beach Church of Christ Church.

#### MARRIED IN PARSONAGE CEREMONY

Mr. and Mrs. S. R. Hazelwood, 2929 Myrtle avenue, are announcing the recent marriage of their daughter, Miss Charlotte Hazelwood, to Jerry D. Miller, a son of Mr. and Mrs. Warren C. Miller of Pomona, Ill.

The ceremony took place at 9 o'clock Friday evening at the parsonage of the Pentecostal Assembly of God Church, 2008½ Main avenue, with the Rev. Harold Maynard officiating. Attending the couple were Mrs. Doris Wilson and Robert Wilson.

The bride wore a white linen street dress, a white hat and veil and a corsage of red roses.

A reception was held after the ceremony at the home of the bride's parents for the wedding guests, members of the immediate families. The newlyweds honeymooned at Bagnell Dam and are residing at 2107 Dewey avenue.

Mr. Miller is employed by the Laclede Steel Co. in Madison, Ill. He is a waitress at Simpson's restaurant.

**Council Oks Surety Bonds By Individuals For GC Taverns**

An amendment to the municipal code to permit individuals to sign \$2000 surety bonds for taverns in Granite City was approved by a seven-to-five vote of the council Monday night.

The code specified the surety bonds were to be provided by a corporation and City Atty. George Filcott, Jr. who was away on vacation Monday night had advised the council several weeks ago that he recommended the corporation over an individual.

The attorney explained when the amendment was submitted, that individuals could die, move away or sell the surety property without the city knowing about it, voiding the bond. However, Alderman Steve Basarich said Monday night it would be the responsibility of the individual tavern owner to keep the city informed.

The amendment was submitted by Alderman Edmund Bartosik, deputy liquor commissioner, who said the change would save tavern operators about \$34 a year.

The ordinance placed on first reading last week outlining the authorities of the Personnel committee was advanced to second reading, after an amendment was approved to eliminate a committee authority to interview city job applicants.

Sponsor of the ordinance, Alderman Donald Partney, chairman of the Personnel committee, said the duties were based on the recommendation of the Southern Illinois University government study, which has been discarded by the city.

Mayor Davis said he would veto the ordinance if it was passed in its original form, commenting it would give the powers of the mayor to aldermen "who are not elected city-wide."

The amendment was presented by Alderman Mrs. Bettine, and it was approved by a nine-to-five vote with Mayor Davis adding a "aye" vote. The vote for second reading was 12-to-2.

Mrs. Bettine again criticized the committee for not having the city attorney prepare the ordinance, but that was not the council's duty. Partney reminded her that advance copies were given to council chairmen two weeks earlier and that he did it for the purpose of calling for any changes deemed necessary.

**Data Needed For Records**  
He added that the committee was not trying to usurp the authority of a department head, but merely wanted to conduct interviews to get data for city records. Mrs. Bettine said the council had the right to obtain information from the department heads.

Consent members endorsed the recommendations of the Legislative committee on new legislation. The presentation was made a week ago by Mrs. Bettine, chairman of the committee. She immediately sent off copies of the council recommendations to area legislators.

Mrs. Bettine during the meeting displayed a straw handbag which contained a \$5 bill, saying it had been given by an anonymous donor who had requested a street light in type contract on a two-year basis and obtained a street light in front of her home. She offered the gifts to Alderman Basarich, chairman of the Light committee, who declined.

**Condemnation Sought**  
Alderman Nunn called for condemnation proceedings to be started on a house at 2509 West 24th street, based on findings by Building Inspector Earl Bloom.

Nunn said the house was causing problems in the neighborhood and that the inspector's report showed it was in need of inside toilet facilities, new floors, and a porch. He asked that immediate steps be taken to have it razed.

Partney pointed out the city had 18 other pieces of property on which condemnation proceedings had been requested during the past several years. Former

**UF Campaign Cabinet Will Meet Tomorrow**

The Tri-Cities Area United Fund Campaign Cabinet will meet Friday at noon at Cline's restaurant, it was announced by John Solenberger, United Fund executive director.

Solenberger said the purpose is to strengthen present campaign plans and to hear reports on the progress of committee enrollment from the chairman.

**Badges For All Items**  
The police committee will be deducted from the two officers' annual \$100 clothing allowances. He said the committee was giving the police purchase further study, since in the past it had always been a requirement for an officer to furnish his own weapon.

Two items to be included in the new city budget were given tentative approval by the council—a \$4800 warning system for truck or station wagon for the city humane officer to replace a 1958 model.

Approval was given a request by Alderman Mrs. Bettine for the council to go on record supporting a state chiropractic hospital license for Dr. E. M. Walton.

Alderman Whitmer and Mrs. Bettine engaged in a brief exchange of words when Whitmer remarked the council already had given approval, subject to designation of a location. Mrs. Bettine said it would be necessary to advise state legislators of the council's endorsement.

The problems of alcoholism to the individual, as well as to his family and friends, were described in an illustrated talk by Rev. Alfred Buis at Tuesday's luncheon meeting of the Granite City Rotary Club.

**Alcoholism is an illness and, unfortunately, since desire to recover is most vital, too often a man or woman has to sink to the bottom before that desire is there. Incidentally, there are many women alcoholics as well as men.**

President-elect James Louis Broadway, whose son, Gerald, died Monday night in Milwaukee following an emergency operation. The elder Broadway had left Granite City early Monday to vacation with his son and family.

It was announced that the late Harry Swan, former president of the local Rotary Club and manager of the Washington theatre, had made a gift of \$42,000, a part of his estate, to the club to be used to assist needy school children. Swan died in April 1962 in New York three years after he retired and moved there.

STATE REP. LLOYD "CURLY" HARRIS (right) confers with House party leaders, Rep. Paul Powell, Vienna, Democratic minority leader and John Touhy, Chicago, House Democratic whip, on administration bills Harris handles for Gov. Otto Kerner. Appropriation measures which Rep. Harris has handled in the House for the governor total up to nearly \$3 1/2 billion, the largest being \$975 million for state highway building.

## 'Curly' Harris Recognized As One Of Top Legislators

(Special from Springfield)

A former steelworker who now handles state administration appropriations totaling nearly \$3 1/2 billion in the House of the General Assembly has received a "well done" pat from Gov. Otto Kerner's office, for his work this session. A reward could be his appointment to the powerful State Budgetary Commission, a post he has held in former years.

State Rep. Lloyd C. (Curly) Harris, (D-Granite City), is the House majority spokesman for Gov. Kerner and his work at this session indicates that when the tally on the state administration's budget for those offices under the governor is complete, it will show that requests amounting to around the \$2 1/2 billion figure have been enacted into law.

Some of the money bills which Harris has gotten through the House, some to the governor and others to the Senate, include \$975 million for road building; \$640 million for public aid; \$280 million for the state's mentally ill; \$72 million for the Public Safety Department; \$44 million for the state Labor Department; and \$433 million for state aid to schools.

**First Elected in 1934**

Harris, born in 1905, came to the General Assembly from Granite City, steelworker's job in 1935 and, except for one term, he has been elected consecutively ever since. He is the only one of Madison's four county legislators elected in 1934 who is still in legislative harness, although the other three are still active.

The trio are former Sen. James O. Monroe, (D-Collinsville) who edits the Collinsville Herald as he did in 1934; and Reps. Schaefer, O'Neil, Alton attorney and close friend and advisor to the late Gov. John H. Steele, and H. Strosper, Ill., Alton city judge, James O. Monroe Jr., Collinsville, is a circuit judge, and O'Neil's son is a former Madison county judge.

Representative Harris handles the appropriations bills for the governor, as he did in 1961, and his years of experience as a legislator and his legislative friendships have stood him in good stead. He modestly admits "some success" in handling money requests and attributes it to "patience and an education acquired out of the tough and tumble school of politics."

**Believer in Committees**

A great believer in committee work in the legislature, Harris feels it is wrong to disregard committees "do pass" or "do not pass" recommendation. He says he doesn't agree with those who seek to reverse a committee recommendation pointing out, when a committee acts "it is simply doing the job they were created to do—help advise the members."

"I believe legislation should be guided by their committees especially when recommendations are overwhelmingly one way," said Harris. "There might be some justification in reversing a committee, particularly when the committee vote on a bill is close. It seems a waste of time to reverse committee action when it is almost unanimous."

Harris takes pride in the recent remarks of a newspaper observer who in singling out several members for "outstanding jobs," said of the Granite City son that "he is a member who can do more on the House floor to advance a bill he is handling than any other member." Harris feels this could be due to his patience and in explaining and listening.

**Always Listening**

"As chairman of the House appropriations committee in the 1959 and 1961 sessions I never shut off any one who wanted to speak for or against a bill," said Harris. "That of course, comes in handy when an administration bill is up, particularly if I need the votes of members who appeared before my committee to support an appropriation proposal."

Harris, who usually goes along with his party on a bill, is a close friend of Rep. Paul Powell (D-Vienna), a former House speaker and Powell's "good right arm" in 1949, 1950, and 1961 when Powell was speaker. It was Harris who was amusing to the House in a recent debate over a bill to legalize branch banking as they took opposite stand on the merits of the proposal.

Harris was against branch banking but Powell supported it, but Harris

Granite City PRESS-RECORD  
Page 30 Thurs., June 27, 1963

won. In the debate Powell who has been critical of newsmen covering the Legislature quired newspaper editorials in favor of branch banking and Harris brought guffaws when he said "I am surprised at Mister Powell. He has often criticized the press but now he appears to believe in them."

The two grinned amicably at each other while members of both sides of the aisle applauded good naturedly at Harris' jibe.

**Trips To Springfield**

Harris occasionally rides back and forth from Granite City to Springfield with two freshman Senators, Paul Simon (D-Troy) and Alan J. Dixon (D-Bellefonte) and says he gets a great deal of benefit "talking shop," as they ride along. Their younger views plus the fact both served in the House before going to the upper House, he says, "have been every very helpful in my thinking."

The governor's office credits Harris' success to his understanding of the budget. "They said his years of experience in the House and as appropriations chairman he was sympathetic to money requests by former Gov. William G. Stratton in 1959 as well as having been a member of the budgetary commission (1959 and 1961) were tremendous assets in getting appropriations through the House."

William H. Chamberlain, legislative administrative aide to the governor, says "he is one of the best liked members in the House. He is looked upon as a decent man and his word is good. His experience as House appropriations chairman and as budgetary commission member were valuable. He is very knowledgeable and he is most impressive in explaining an appropriation."

## News Coverage Factor In Award To Bar Group

Newspaper coverage and comments played a major part in selection of the Madison County Bar Association as top winner among groups its size in the 1963 "Project of Merit" competition conducted by the Illinois State Bar Association. Donald C. Rikh, public relations chairman, said this week.

A contest involving promotional activities by individual bar associations, the competition was open to such groups throughout the state. The 142-member Madison county association was named as recipient of the first-place plaque in Class B, for those associations having 50 to 150 members.

The Madison county entry was Law Day, U.S.A. activity which occurred May 1. It consisted of 53 pages and related that the association.

Reached 10,700 students with speeches and mock trials presented by lawyers. Included were nearly all of the high school students in the county.

Conducted a courthouse program at which an address was given by Dean Albert J. Harro, Illinois state court administrator.

Led courthouse tours with the aid of county officials.

Arranged a Law Day luncheon featuring Irving Dillard as guest speaker.

And obtained direct participation by 35 attorneys.

Exhibits included news articles, an editorial, feature article and picture published by the Press-Record, a section of the Press-Record Forum column and a Granite City Trust and Savings Bank advertisement in the Press-Record.

Attorneys participating in the award-winning Law Day observance included William Schooley of Granite City.

Goal of the program was to make the general public more aware of the importance to each person of a system of rule by law.

**Repair Of Damaged GC Fire Truck Will Cost \$16,600**  
 Repairs to Granite City's new fire truck, damaged at Madison avenue and Nameoki road while answering an alarm, will cost \$16,600, it was reported during Monday night's council session by Alderman Ford Johnson, chairman of the Fire committee.  
 The damaged truck has been hauled to Towers Fire Apparatus Co., Freeburg, where it originally was built. There was extensive damage to the truck body and frame, and a new Ford chassis has been ordered from B. E. Hohl, Inc.  
 The \$16,600 repair cost is being inserted in the city's next budget. No date has been given for the city when the truck will be completed and back in service.

**Need 11 Fire Hydrants**  
 Johnson also recommended the installation of 11 fire hydrants—10 in newer subdivisions in the middle of the city and one in the older areas where the distance between hydrants is 2500 feet or more. Fire Chief Elijah Kirk said the city truck can carry only 2200 feet of hose.  
 A resolution for installation of the hydrants is to be submitted for approval at the next council session.

**State Advises City Of Sales Tax Change**  
 A larger payment of city sales tax from the state for the month of April does not mean the amount during subsequent months will be as large, Granite City council members were advised Monday night in a letter from the state Department of Revenue.  
 The larger payment, which has not yet been received, will reflect a new administrative system for quarterly collections and advance collection of sales tax on motor vehicles and boats before ownership titles are issued. The city's last sales tax payment from the state was for March and amounted to \$18,755.

**Lee Davis Accepted As NAA Member**  
 Lee Davis, 2721 Sunset drive, has been accepted for membership in the St. Louis Chapter of the National Association of Accountants, according to an announcement received here. He is a general accountant with the Granite City of Quad-Cityans are among the members of the St. Louis Chapter.

**\$75,964 Low Bid To Pave 5 Blocks Of State Street**  
 A low bid of \$75,964 for improvement of State street from 18th to 23rd street was accepted Monday night by Granite City council members, subject to approval by the state highway department.  
 The bid was submitted by A. H. Seebold Co. Another proposal in the amount of \$85,819 was received from General Contracting Co. The bids were opened Monday afternoon in advance of the council session.  
 Under the motor fuel project, abandoned Illinois Terminal Railroad Co. trolley tracks are to be removed from the 1800, 2000, 2100 and 2200 blocks. The concrete surface is to be replaced and the street is to be resurfaced with asphalt for the five-block section.  
 Because of the heavy traffic on the street and the deteriorated condition of the pavement, the project was advanced ahead of several neighborhood street jobs planned with motor fuel funds.

**Toastmasters Cancel Summer Meetings**  
 Due to summer vacations and other seasonal activities, the Granite City Toastmasters decided at their regular dinner meeting Monday evening to cancel all toastmaster meetings for the summer. The next meeting will be Sept. 9.  
 Dr. Leo M. Coleman, a member of the club, said that during the summer months attendance at toastmaster meetings tapers off because many of the members go away on trips and because others would rather be outdoors on a pleasant summer evening than at a dinner meeting. Only five of the 16 Toastmaster Club members were present at the meeting Monday.  
 The members present discussed plans to attend the Toastmasters International convention to be held in St. Louis Aug. 22-24. Dr. Coleman said that about 5000 Toastmaster clubs from all over the world would be represented and that about a dozen members of the local club planned to be in attendance.

**WHO WARRANTS THIS BIG ITEM FOR 2 FULL YEARS OR 24,000 MILES?**  
 Ford, that's who—read the fine print!

Some new car warranties offer you "long-term" protection on part of the car, then shunt you with as little as 12 months' coverage on the rest—important items like paint, finish, muffler, suspension system.

Not Ford. Ford's warranty covers every part of the car—and runs for 4 full years or 24,000 miles. It's proof of our confidence in the cars we sell. Come see, one drive the great new quality-built 53 Ford's today.

**Boy, 4, Injures Arm In Wringer Of Washer**  
 A small boy has a swollen and bruised left arm after an encounter with a washing machine wringer. Monday afternoon, the boy, Vaughn Justice, four-year-old son of Mr. and Mrs. Duane Justice, 30 Briarcliff, had been outside with his mother and a young cousin while his mother was hanging laundry on the line. Mrs. Justice said that Vaughn liked to play with the washing machine and that he evidently had gone into the house while she wasn't looking and turned on the machine.  
 The boy's arm was about halfway through the wringer when he was rescued by his sister Mary Lindsay, who was in the living room when she heard him screaming.  
 X-rays of his arm were taken at St. Elizabeth Hospital before he was released.

**Locations designated were Dale and St. Clair avenues; on Cardinal avenue at its intersection with Terminal avenue and Maryville road, Ash and Glen avenue, Edgewood and Kilarney avenue, the middle of the 2900 block of Sunbury avenue, the middle of the 2700 and 2800 blocks of Willow avenue and at 2907 Charles street.**  
 Alderman Walter Norn pointed out that in the event the hydrants are not built-up, it might be necessary for the city Commission for the hydrants. He said he had been advised by a water company official that a certain amount of revenue to the company must be available if a hydrant is to be installed.

The management of this firm desires to dispel any of the doubts in the minds of its friends and customers that because of our consolidation into our downtown warehouse location that we intend to go out of business. On the contrary, we have been in business 34 years, and have intentions of continuing for many more years. Necessity dictated we move from our Bellemore location. In the near future we plan to have another building in the downtown area.

hundreds of dollars

First select the lot of your choice. We will help you select the plans and specifications best suited to your needs. We then erect your house on the foundation. Acting as your own general contractor, you may have the work completed by subcontractors or you may do any portion of the work yourself and receive credit for it. We supply you with a complete financing service. Your subcontractors and suppliers will be paid as work progresses. Our complete installation service will give you investment maximum protection.

## Eight Named To GC Faculty For 1963-64 Year

Eight appointments to the faculty of the Granite City school system were approved Tuesday night by the school board.

Joining the staff at the junior high school level will be Terry Michael Salem, Venice, son of Venice School Board President Lester Salem. A 1963 graduate of Eastern Illinois University, he will teach German, English and social studies.

New Granite City high school instructors will be Kenneth Eugene Spalding, 2500 Faith avenue, a 1963 Southern Illinois University graduate, social studies; Paul Lewis Johnson, Cape Girardeau, Mo., Southeast Missouri College graduate, social studies; and Miss Marcella Agnes Hayes, Maquoketa, Ia., a graduate of Margaret College, Davenport, Ia., girls' physical education.

Miss Jane Francis Hillman, State Center, Ia., also a graduate of Margaret College, was employed as an elementary school vocal music teacher.

Grade school classes are to be assigned to Mrs. Mary Lou Flood, 2309 (rear) Hodges avenue, SIU graduate with a half-year of experience; Miss Harriet Lynn Martin, East Peoria, 1963 SIU graduate; and Mrs. Carol Jean McIlvann, Caseyville, Ill., Northern Illinois University graduate with six years of teaching experience.

The board approved a 1963-64 leave of absence for Miss Gene Michael, 1301 Twenty-seventh street, GCHS English and speech teacher, who will continue her studies.

**Adult Tuition, Pay Raises**  
In line with a decision to pay night school instructors \$5 an hour this fall instead of the \$4 hourly rate established in 1957, the board authorized increases in adult education tuition. Art classes costing \$8 were raised to \$10; blueprint reading, industrial mathematics, radio, television, sheet metal layout, typing, stenography and bookkeeping, now \$10, were boosted to \$12; industrial electricity, electronics, machine shop, industrial mechanics and sewing, currently \$12 each, were increased to \$13; shielded-arc welding and computer, now \$20, were raised to \$25; and arc-and-gas welding and driver training, currently \$25, were increased to \$30.

The state has established a \$5 hourly rate as a base for reimbursement, and night schools in this area generally pay \$5 to their instructors. It was noted. The program is self-sustaining, and the higher tuition charges are expected to offset the higher pay for instructors.

Granite City schools already pay a \$5 hourly teaching rate for in-plant courses conducted jointly with industries, which pay the costs.

**Summer Enrollment**  
A report showed a 958 Granite City summer school enrollment, including 69 in elementary remedial classes and 448 taking 747 subjects at GCHS—301 social studies, 262 English, 76 typing, 58 mathematics and 52 art. The 450 band students enrolled consist of 120 at GCHS, 250 at the junior high schools and 180 grade school pupils.

Miss Margaret Stalach, state special education consultant on mentally and multiple handicapped children, notified the district that she is recommending the Granite City EMH and trainable program for 1962-63 state reimbursement. Satisfactory progress of the classes was cited.

A review of school board members' duties, suggested by Board President Ralph Fricker, was postponed until a later meeting when all members are present.

In announcing the postponement, Fricker stressed the value of periodic reviews of board duties and noted that none has been held since he has been on the board.

### Kiwanians Discuss Boat Race Wrap-Up

The recent boat races sponsored jointly by the Granite City Kiwanis Club and the Bow-Line Boat Club were the major topic of discussion at the Kiwanians' regular Monday evening dinner meeting at the Elk's Lodge.

It will be at least three weeks before the final totals on expenditures and profits will be tallied, according to club member Homer Johnson.

A committee was appointed to plan a program of Kiwanis Club activities for the remainder of the year. Committee members are: William Herman, Freeman Wolfe, Sam Wolf, Leland Bird and Harry Marshall.

The Kiwanis Club plans to assist the Bow-Line Club with a water ski show planned for mid-August.

### Stark Back To Prison For Parole Violation

Frank Stark, 29, of the 1700 block of Edwardsville road, Madison, was returned to the state penitentiary at Joliet Tuesday on a charge of parole violation.

He was sentenced to three to five years in the penitentiary on April 19, 1960, after being convicted in Madison county circuit court of assault with attempt to kill in the shooting of his father-in-law in Madison.

Stark and another man were arrested June 15 during a fracas at the Evergreen tavern, 2318 Nameoki road. He was charged with being drunk, fight-

ing, creating a disturbance, resisting arrest and refusing to obey the arresting officer. The other man was Earl Todd, 31, of 2208 Cleveland blvd., who was fined a total of \$55 on four charges. Stark was returned to the prison by a parole officer.
